

Week of May 19-23, 2008
Middle School Science-7th and 8th Grades and
Student Council
Ms. Heaton

Water Day 5/22/08

WE WILL NEED VOLUNTEERS TO HELP OUT WITH WATER DAY SO IF YOU WOULD LIKE TO HELP OUT PLEASE SIGN-IN IN THE FRONT OFFICE.

Half Day Friday 5/23/08

7th grade

Small assignments and reviews for this week. We will watch a movie on Tuesday and Wed. about space and space shuttles.

Seminar: Our final day. We will have our just desserts to end the year!

8th Grade:

Survivor continues. The final challenge is Tuesday. This will be a review of all the things we learned this year. The girls are up right now and the boys need to learn to work together. If the girls win Tuesday's challenge, Survivor will be over, otherwise if the boys win, we will go into "Sudden Death." I'm hoping for the sudden death myself, but good luck to everyone! Pot luck on Tuesday for lunch to celebrate our final year together and to receive your lovely parting gifts.

Student Council

--We will have a dinner and movie afternoon for our Tuesday meeting. We will have pizza from Hungry Howie's and we will be watching The Princess Bride. Pick up time will be around 5:00pm. Thanks so much for a great year!!!!
